Chairman's Message

To our present and future clients,

Welcome to Shoa Oil Field Services L.L.C!

First of all, I would like to thank you for giving us the opportunity to present our company to your good selves.

When we established Shoa Oil Field Services L.L.C (SOS) in 2009, our main purpose was to provide high quality work to serve our Sultanate and the Omani society and we will continue with that legacy.

Great efforts have been made by our people to proudly convey to you the construction, oil & gas, manpower supply, facility management service expertise that the company has developed and earned throughout its more than 5 years of active involvement in the Sultanate's economic development activities through this company literature.

We hope that this presentation will start a successful business relationship between our companies and I assure you of my personal guarantee and commitment that in Shoa Oil Field Services L.L.C,...

***"Our customers' Satisfaction
come first
before anything else".***

Shoa Oilfield Services committed to provide our customers with a high quality service on time and on budget ensuring that a greater integrity will be maintained in our area of business

We intend to achieve this by:

- **Clearly defining processes, systems and quality objectives that are continually improved to exceed organizational and customer needs and expectations.**
- **Always take a win – win and long term partnership approach while honoring our obligations to our customers.**
- **Creating an environment for people for working efficiently to ensure total customer satisfaction ensuring development of our people for their capabilities and competence.**
- **Allowing the Company to prosper and grow as a business to ensure continued service to customers. Ensure providing fare value for money to our customers and fair returns to our share holders.**
- **Provide and ensure a Safe and Healthy work environment at all areas of our operations.**

Quality Policy

شعاع لخدمات حقول النفط ش.م.م.
hoaaoil filed services L.L.C

Shoaa Oilfield Services LLC shall conduct its activities in a manner which:

- Protects the health and safety of its employees and all others that may be affected by its activities.
- Protects the environment, encourages recycling, minimises waste and pollution
- Seeks to reduce the consumption of unsustainable natural resources.

To achieve this, SOS shall:

- Deliver compliance with the applicable Laws, Decrees and Statutes of the Sultanate of Oman and respect its citizens, culture and customs;
- Deliver compliance with the HSE regulations, standards and procedures that are defined within the Contracts and the integral Conditions;
- Where appropriate, seek to apply higher standards in order to achieve parity with best practice developments within the industry.

شعاع لخدمات حقول النفط ش.م.م.
hoaaoil filed services L.L.C

SOS will pursue the objectives and spirit of this policy through:

- Visible and proactive management commitment;
- Commitment, involvement and co-operation of all employees and subcontractors;
- Effective training, motivation and communication programmes;
- The maintenance of realistic, measurable and progressive HSE targets and objectives.

In pursuing the objectives and spirit of this policy SOS shall be guided by the following corporate beliefs:

- That success in the management of Health, Safety and Environmental protection is a prime business objective that is equally as important as other prime business objectives.
- That accidents, incidents, injuries and environmental disturbance are unacceptable and preventable;
- That everyone shares the responsibility for their own health and safety, and the health and safety of their colleagues at work;
- That Health, Safety and Environmental protection are line management responsibilities;
- That all necessary HSE arrangements must be in place, before work is started, and that work shall be stopped if the HSE arrangements cannot be maintained.
